We miss you!

Dear Campos Family,

Campos staff are committed to providing necessary services to each and every young person and all our families during the COVID19 pandemic. We have 100 breakfast and lunch bags available for pick up Monday through Friday from 9 am until 1 pm. We have Chromebooks ready for students to borrow and are mailing academic packets to students as well. During this time, our priority is the mental health of each student and we want to be a supportive system to all our parents. Mentors check in with students daily and teachers engage with students weekly. I know that we are all doing our best for our young people. I can not wait to be back together. Please stay strong and safe during this very difficult time. Take care of each other and be well.

Principal Melissa Lewis
