The 50th Anniversary Commemoration 1972- 2022

Dear

We are very pleased to announce that Dr. Pedro Albizu Campos Puerto Rican High School (PACHS) will be celebrating its Golden 50th anniversary in 2022. On behalf of the school leadership and board of directors, we ask for your support. The PACHS Gala will be held Friday October 21, 2022, at the Artifact Events space, located at 4325 N Ravenswood Avenue in Chicago.

For half a century, PACHS has stood as a beacon of hope and inspiration for its students and the community. PACHS remains devoted to living its mission and vision. During these five decades the school has developed a pedagogy grounded in the understanding of the Puerto Rican reality – at home and in the diaspora – including its past, present, and future. The contributions of PACHS to its students and community are many: educational practice, professional development, community activism and servant leadership. Additionally, PACHS remains nationally recognized and acclaimed as a model for urban education praxis.

Therefore, we ask that you donate to support this Golden 50th anniversary celebration:
